英语演讲

1. My mother

Good morning, ladies and gentlemen. My name is.....I'm honored to take this contest. Today my topic is my mother. I consider my mother as the most beautiful lady in this world. Of course sometimes she gets angry with me, but I know she wants to teach me right from wrong(教我明辨是非). I would do so many things just to win her smile, I know she gives a lot to make sure that I have the best and am happy. I could never thank her enough. She's waiting outside right now, and I know she's just as excited as I am. Thank you very much. That would be the end of my story.

2. My hobbies

My hobby is reading. I read story books, magazines, newspapers and any kind of material that I find interesting. This hobby got started when I was a little boy. I had always wanted my parents to read fairy tales and other stories to me. Soon they got fed up and tired of having to read to me all the time. So as soon as I could, I learned to read. Soon I could read simple fairy tales and other stories. Now I read just about anything that is available. Reading enables me to learn about many different things and I really enjoy it.

3. About travel

England is the best place I've ever been to. Everything is so beautiful. I spent about one and a half days on the plane. When I arrived at Heathrow Airport in London, it was evening and the great trip was started. I visited many places in London, like Big Ben, Westminster, the Tower of London.....Those are very famous. Most of the time in the afternoon, my parents and I sat and walked in the park. It was a relaxing trip and I would like to visit England again if there is a chance.

4.my hero

When talking about heroes, people will think of the person who saves the world, such as superman and batman, they care about the public's lives. In the real life, people believe that a hero at least can make great influence to the society, like the scientist. However, in my opinion, some true heroes are easily ignored. They are doing the ordinary jobs while making great contribution to the society. The city cleaners are the ones. They beautify the city and bring comfort to the public. Though they are nobody, but they are doing great job. They are the heroes and should be praised.

5. About protecting the Earth

Nice to meet you, here. My name is I am from Tai Ping town ,Hui Longsi primary school. I am in Grade Four. I am ten now.

Today I will talk about protecting the Earth.

The earth is like our mother. She gives life to all the living things on the earth.

Once she was beautiful and rich, but now she becomes dirty and poor.

Polluted rivers, the destruction of the forests and wild life, and the depletion of the ozone layer.... It is due to what we have done to her.

Flood, draughts, acid rain these are the punishments from nature.

We should save the earth to save ourselves.

6. Chinese New Year

Chinese New Year is a chinese traditional festival. We also call it the spring festival. It is on lunar January 1st.

On New Year's Eve. All the people sit around the desk and have a big family dinner. There are some vegetables, some fish, some meat and some drinks, like juice, coke and some nice wine. Overall, this is a good and delicious dinner. After dinner, we always watch TV and play games.

On the first day of the spring festival, most of the people get up early and say ' happy new year' to each other. For breakfast, people

often eat dumplings. After breakfast, people often make delicious food and children often play cards, computer games and set off fireworks at night.

Everyone is busy on Chinese New Year and everyone is happy.

7.How to Keep Fit

You can take away our money, house, car, or even our clothes and we can survive. But if our health was taken away, we would surely die. That is why we always try to eat in a healthy way and exercise regularly.

In order to eat healthily, I usually avoid eating food high in fat, like French fries or cookies. I also eat little meat. I eat a lot of vegetables and fresh fruit which are full of vitamins.

Taking exercise every day helps us build a strong body. Regular exercise is an important part of keeping me healthy.

What's more, I think friends are an important part of one's health. Many studies show that people with a wide range of social contacts get sick less than those who don't. I always feel better when I am with friends than when I am alone. When I am with my friends, I always laugh. Laughing is also an important part of health. I like to laugh with my friends.

By eating properly and exercising regularly, I can keep my body at a proper weight and keep healthy. By spending time with my friends, I can keep my mind as well as my body happy. These things sound easy to do, but not many people can manage them. I think a strong will is necessary if we want to keep healthy.

英文诗歌

1.

If You Think You Are

By Walter D. Wintle

If you think you are beaten, you are

If you think you dare not, you don't

If you think to win but you think you can't

It's almost certain you won't

If you think you'll lose, you've lost
For out of the world we find
Success begins with a person's will
It's all in the state of mind
If you think you're outclassed, you are
You've got to think height to rise
You've got to be sure of yourself
Before you can ever win a prize
Life's battles don't always go
To the stronger or faster man
But sooner or later the man who wins
Is the man who thinks he can!

2.Eternity of Youth—William Hazlitt

There is a feeling of Eternity in youth,
Which makes us amend for everything
To be young is to be as one of the Immortal Gods
One half of time indeed is flown
The other half remains in store for us with all its countless treasures
For there is no line drawn
And we see no limit to our hopes and wishes
We make the coming age our own—the vast, the unbounded prospect
lies before us

3.Saying Good-bye to Cambridge Again

Very quietly I take my leave
As quietly as I came here;
Quietly I wave good-bye
To the rosy clouds in the western sky.
The golden willows by the riverside
Are young brides in the setting sun;
Their reflections on the shimmering waves
Always linger in the depth of my heart.
The floating heart growing the sludge
Sways leisurely under the water;

In the gentle waves of Cambridge
I would be a water plant!
That pool under the shade of elm trees
Holds not water but the rainbow from the sky;
Shattered to pieces among the duck weeds
Is the sediment of a rainbow-like dream?
To seek a dream?
Just to pole a boat upstream
To where the green grass is more verdant
Or to have the boat fully loaded with starlight
And sing aloud in the splendor of starlight.
But I can't sing aloud
Quietness is my farewell music;
Even summer insects heap silence for me
Silent is Cambridge tonight!
Very quietly I left
As quietly as I came here;
Gently I flick my sleeves
Not even a wisp of cloud will I bring away

4.Stray Birds---- Tagore.

Stray birds of summer come to my window to sing and fly away.
And yellow leaves of autumn, which have no songs, flutter and fall there with a sigh.
If you shed tears when you miss the sun, you also miss the stars.
Man is a born child, his power is the power of growth.
The trees come up to my window like the yearning voice of the dumb earth.
You smiled and talked to me of nothing and I felt that for this I had been waiting long.
The fish in the water is silent, the animal on the earth is noisy, the bird in the air is singing.
But Man has in him the silence of the sea, the noise of the earth and the music of the air.

The world rushes on over the strings of the lingering heart making the music of sadness.

We come nearest to the great when we are great in humility.

The mist, like love, plays upon the heart of the hills and brings out surprises of beauty.

Your voice, my friend, wanders in my heart, like the muffled sound of the sea among these listening pines.

What is this unseen flame of darkness whose sparks are the stars?

Let life be beautiful like summer flowers and death like autumn leaves.

The touch of the nameless days clings to my heart like mosses round the old tree.

英文笑话-1

good news and bad news

The soldiers had been marching and fighting, they were dirty, hot and tired. One day, the general announced: "My men, I have some good news and some bad news for you. Which one would you like first?"

"The good news!" they all shouted.

"OK," said the General. "The good news is that you will each be receiving a complete change of clothing."

"Hurrah!" chorused the soldiers.

"And now for the bad news. Jack, you will change with John. John, you will change with Tom. Tom, you will change with Robert. Robert ...

英文笑话-2

A lawyer opened the door of his BMW, when suddenly a car came along and hit the door, ripping it off completely. When the police arrived at the scene, the lawyer was complaining bitterly about the damage to his precious BMW.

"Officer, look what they've done to my Beeeemer!!!", he whined.

"You lawyers are so materialistic, you make me sick!!!" retorted the officer, "You're so worried about your stupid BMW, that you didn't even notice that your left arm was ripped off!!!"

英文笑话-3

A man wrote a letter to a small hotel he planned to visit on his vacation: "I would very much like to bring my dog with me. He is well-groomed and very well behaved. Would you be willing to permit me to keep him in my room with me at night?"

An immediate reply came from the hotel owner, who said, "I've been operating this hotel for many years. In all that time, I've never had a dog steal towels, bedclothes, silverware or pictures off the walls. I've never had to evict a dog in the middle of the night for being drunk and disorderly. And I've never had a dog run out on a hotel bill. Yes, indeed, your dog is welcome at my hotel. And, if your dog will vouch for you, you're welcome to stay here, too."

英文配音 The Lion King 狮子王经典片段

Mufasa: Look, Simba. Everything the light touches is our kingdom.

Simba: Wow.

Mufasa: A king's time as ruler rises and falls like the sun. One day, Simba, the sun will set on my time here, and will rise with you as the new king.

Simba: And this will all be mine?

Mufasa: Everything.

Simba: Everything the light touches. What about that shadowy place?

Mufasa: That's beyond our borders. You must never go there, Simba.

Simba: But I thought a king can do whatever he wants.

Mufasa: Oh, there's more to being king than..getting your way all the time.

Simba: There's more?

Mufasa: Simba..

Mufasa: Everything you see exists together, in a delicate balance. As king, you need to understand that balance, and respect all the creatures—from the creeping ant to the leaping antelope.

Simba: But. Dad, don't we eat the antelope?

Mufasa: Yes, Simba, but let me explain. When we die our bodies.

Become the grass. And the antelope eats the grass. And so we are all connected in the great Circle of life.

OK, now let' s go on with Part III.

Part III 用所给内容即兴演讲（限时 1 分钟，分值 20 分）

（备注：要求不少于 5 句话，现场演讲命题出现后，选手的准备时间和演讲时间共限时——不超过 1 分钟）

注意：双人节目选派一名代表完成本环节测试；可与 Part II 不同选手

题例：

1. My favorite color

I like blue, because it is the color of the sky and oceans. My hometown is a city near the seashore. It is not as clean as it was several years ago, but I still hope people can save our environment to keep the sky and sea blue. Blue is also a kind of music which I often listen to when I am tired. It can help me forget my hard work and pressure. So blue is my favorite color.

2. Don't waste water

As we know, water is very important to man, we can't live without water. The amount of fresh water is getting less and less. But some people don't care about it. They waste a lot of water in their daily life. Even worse, they pour dirty water into rivers. They throw rubbish into rivers, too. Many rivers and lakes are seriously polluted. Something must be done to stop the pollution. And I think it's a great shame to waste while millions of others are in great need of water. I think what we can do is that we have to save every drop of water as possible as we can. For example, we must turn off the tap immediately after we use it. Let's start with something small, and I believe that we will make a big difference.

3. My favorite subject

English is my favorite subject and I started learning English when I was ten years old. But at the very beginning, listening seemed a little difficult for me. So I have been doing a lot of listening practice, such as listening to tapes, watching English TV programs. And I found it really helped a lot. In fact, there are some more helpful ways to learn English well. For example, I enjoy singing English songs and I want to join an English club or find a pen pal from English-speaking countries. I believe that nothing is impossible if you put your heart into it.

4.My hobby

I am a 15-year-old student in junior Grade 3. Though I am fully occupied with my study, I would like to spend time on my hobbies, such as playing the piano, surfing the Internet. One of my favorite hobbies is reading. Reading has been in my life for many years since I began to learn characters. It can not only kill the time, but also, more importantly, it helps me improve my comprehension ability. When reading, I can learn a lot. Reading Shakespeare's works, I know how Hamlet looks like. Reading Socrates, I can see how great ancient Greek philosophers are. Reading Lu Xun, I fly back to the old time of China. It is reading that enables me travel to the past and the future. So, I like reading so much.

5.Happiness

Happiness is important in our life. In fact, happiness is always around you if you put your heart into it. I will never forget one thing. Once, I had a bad mark at a math test. I was shy and afraid to meet my parents. But when I got back home late, my parents knew what happened, they said to me: "It doesn't matter, my dear. Remember that we'll be always beside you when you need help. We believe you can be better next time. Never give up!" I was moved and made up my mind to work harder and harder and I feel happy. Whenever I am in trouble, I can feel my parents' love.

6.Should we keep animals in the zoo?

No, I don't think we should keep animals in the zoo.

First, the cages in the zoo are too small for animals to live in comfortably. For some large animals, they can hardly move around.

Second, some visitors often throw food or garbage to the animals. It hurts the animals or brings diseases to them.

Furthermore, when animals are given food every day and they don't need to find food themselves, they will lose their survival skills. They will die if they are released into their natural environment. So people shouldn't keep animals in the zoo.

7.Do you want to be a volunteer?

Yes, I do. First, being a volunteer makes me happy. I have fun when I help with the housework or sing songs for the old people in a senior

center.

Second, I gain a sense of achievement. I am happy to spend time helping others, which is something I always love to do. And I can meet lots of people, too. It surely is a good experience for my life.

8.The people I admire most

I admire my mother most. She is an English teacher and a very good one. She spends a lot of time preparing her lessons before class. And she has a great sense of humor, so students all enjoy every minute of her class. She is very popular among her students. My mother is not only a good teacher, but also a great mother. She is patient with me, always smiles while talking to me. She encourages me to solve problems on my own to build up confidence.

9.How to study English

Today, English is very important and popular. Many people want to learn it well. Do you want to know how to learn English well? Let me tell you : First, you should preview the new lesson; Second, listen to the teacher very carefully in the class, try your best to understand what the teacher says; Third, you'd better do as many exercises as you can. There is the saying: practice makes perfect.

10. How to keep healthy

First, we should get enough sleep during the night. We can go to bed early and get up early. Staying up late is bad for our health. Second, we must have the right kinds of food. We should eat more fruits and vegetables and less meat. We should drink a lot of water. We should have healthy eating habits. Third, we should do more exercise to build up our bodies. Finally, we should be happy everyday. Because smiling will make us younger. That is my advice. I hope you are healthy and enjoy your life better.
